### DR. WALTER RITTMAN

The theme of this book has been inspired by the outstanding achievements of our alumni. We are proud of their accomplishments in all lines of endeavor. Here we wish to present Dr. Walter Rittman, who has achieved fame in engineering. Dr. Rittman has been a consulting engineer for the government, and chemist for the United Gas Improvement Corporation. At present he is associated with Carnegie Institute of Technology. He is an authority on fuel engineering.

That we are sophomores of a nationally accepted university is our "great grant of Providence." Until very recently many of us felt a dire cloud of uncertainty holding back the natural show of love and respect for our Alma Mater. However, with Northern's full acceptance into the conference, this attitude has changed, and we are now convinced that the next two years will bring us even more pleasurable activities, both mental and social, than those we have already experienced.

The class of 1933 can boast of having a noteworthy group enrolled in every college. The class is respected by the instructors and by all the students.

Other campus activities in which we participate are: band, orchestra, choral, boys' and girls' glee clubs, madrigal club, department clubs, A. W. S., Y. W. C. A. and Y. M. C. A. Also many of our class are active in honorary and social fraternities.

From the first the new class at Northern took a decided interest in Northern activities. The Freshmen football team was unusually good last fall, presenting a wealth of material for next year's varsity. Basketball appeared equally successful and from all indications track and baseball practice will uncover some future valuable athletes.

With the added material presented by this class Northern should develop some real teams next year.

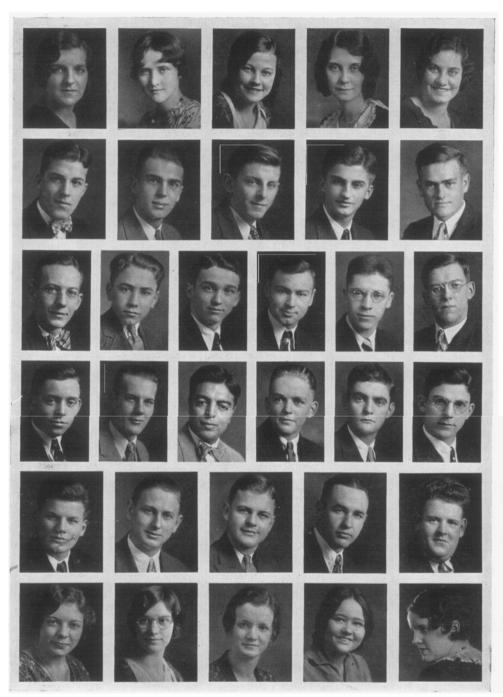

In other activities we found Freshmen doing their share. In debating, dramatics and social activities, names of men and women of the class of '34 appeared very frequently.

During the spring quarter the class sponsored a social that was a real success.

# **OUR FRATERNITIES**

Fraternities have existed on the campus of Ohio Northern for over a quarter of a century. During that time they have increased from two to ten national organizations. Sororities were first organized in 1900 but were inactive for a period of years. We now have four local groups.

The purpose and ideals of the social fraternities on this campus are much the same as at any other college. In a student's life there must be something more than provision for tuition, room, and board, and in the principles and organization of the fraternities and sororities, this additional something can be found. They seek to fill this breach by providing the inspiration of a beautiful ideal made real by impressive ritualism; by providing living conditions which duplicate as nearly as possible the conditions of the home; by providing companionships which form life-long friendships; and by teaching their members group spirit, how to live, work, play, and meet the social responsibilities of today.

The fraternal groups have been aiding in every way possible the fulfillment of the recent plans of the administration and have thus brought many beneficial changes to the university. The fraternities and sororities through their members are represented in every activity on the college calendar. They have undertaken many progressive steps in the past, and among the prominent graduates are many of their alumni. They have done much for the students to obtain those qualities which cannot be found in the classroom and at a time when there was no other means of securing these advantages. May fraternal brotherhood ever prosper and their conduct and spirit help to further the new order of things at Ohio Northern.

# MEN'S PAN-HELLENIC COUNCIL

Chairman	PROFESSOR E. VERGON SMITH
Secretary	JACK RAISON
Treasurer	FLOYD GINDLESBERGER

The Pan-Hellenic Council is composed of a member of each fraternity on the campus. The purpose is to form a more perfect brotherhood and establish a closer union and bond of fellowship between fraternal organizations at Ohio Northern University.

The Council this year, as in the past, sponsored the football banquet at the close of the football season.

Pratt, Shaffer, Cox. Smith, Early, Brownell, McCurdy.

# WOMEN'S PAN-HELLENIC COUNCIL

President	BEULAH COX
Vice-President	FRANKIE SMITH
Secretary-Treasurer	LE IRMA LANDON

The Pan-Hellenic Council is composed of three delegates from each fraternity represented, namely: one Alumnae member, one Senior and one lower classman. This group has been very effective in forwarding co-operation and amicable relationship between the fraternities for women and between fraternity and non-fraternity women. The Council encourages high scholarship, fair play in rushing, and all activities which are for the good of the college and all its women students.

# OUR EXTRA-CURRICULAR ACTIVITIES

An increasing emphasis is being placed on the so-called extra-curricular activities at Ohio Northern, as well as other colleges. Numerous organizations which were once only a thing to be tolerated in institutions of higher learning, are today regarded as an essential part of a university program. The special interests of every college man and woman are today given the same consideration as are the more conventional and standardized courses of study. There is to be seen in this new emphasis an expression of the fuller and truer conception of what a college education should be.

Perhaps they may be more fittingly called co-curricular activities, for they afford those necessary elements of individual development that can not be found in the class room and at the study table. As to just what these elements are, there may be some difference of opinion. But they are at any rate a definite medium of self-expression—the unfolding of a personality, which is the true meaning of education.

Education is no longer regarded only as a preparation for life; it is a part of life itself. If life is to be lived abundantly, the potentialities of the individual must be released, exercised, and directed in the way that will afford the greatest satisfaction. With this in mind, the student is encouraged to choose those activities that are of interest to him, and will afford the opportunity for that personal and social development that is of such great importance in living a useful and happy life.

## ENGINEERS' EXECUTIVE COMMITTEE

The Engineers' Executive Committee is composed of four members selected from the officers of the four engineering societies on the campus. This committee handles all the affairs of the College of Engineering.

The purpose of the Committee is to promote the activities and uphold the traditions of the college; to encourage the science of engineering, and to unite the different branches of engineering into a more co-operative and united group; and also to regulate the welfare of the students.

During this past year the Committee has met with wonderful co-operation and response from the student body. It arranged and directed a variety of affairs. Among other things, it featured a very successful annual Engineers' Week, which was climaxed with an excellent, well-attended banquet, and it also fostered the Engineers' Inspection Tour that took the Junior Engineers thru the major industries of Chicago and Detroit. The Committee also arranged for outside speakers to address the engineering body.

The purpose for this year of the Association of Women Students, organized in 1929-30, has been to put into effect the machinery of its constitution. This constitution is so planned that every woman student is given an opportunity, if she so desires, to express herself in campus affairs and to take part in some activity. A special consideration has been correlating and strengthening the efforts and major projects of the various women organizations on the campus: Y. W. C. A., W. A. A., and Pan-Hellenic. Another major activity has been that of developing the Organized House Program.

A. W. S. during the fall quarter, sponsored Freshman Week, a home coming program for alumnae, the Women's Foreman Banquet, and the Christmas Breakfast. A tea honoring the eightieth birthday of Mrs. H. S. Lehr, was given on January 19th. In January and February the association sponsored a series of Sunday afternoon open house for the various fraternities and faculty members and the Ada Federated Clubs. In March occurred the Co-ed Banquet.

The spring quarter social activities included a luncheon in April, a May Day, a Mother's Day Tea, and Senior festivities.

As an aid to the Alumnae Hall Fund, A. W. S. sponsored the Co-ed County Fair in January, the sale of candy through the organized houses and the Style Show in the spring.

The Ohio Northern University Chapter of the American Society of Civil Engineers has been an active society on the campus since its organization in 1925. The original was "The Ohio Northern University Society of Civil Engineers." This was changed to the present name when the society was admitted as a student chapter of the American Society.

It is the object of the society to raise the standards of the engineering profession and to promote the economic and social welfare of the engineers. Membership in the society is open to all civil engineering students. Freshmen members are not allowed to wear the badge of the society.

Professor Elbin is sponsoring the society and has proven himself very capable. Much more than ordinary interest has been shown this year by the members, and the society has accomplished a great deal towards its objective.

The Student Branch of A. I. E. E. was established at Ohio Northern University on February 12, 1912. It has at all times been an active technical organization and continues to show steady progress under the leadership of Dr. Walter Krausnick, the branch counselor.

The society has held bi-monthly meetings in which the students present papers on current technical subjects. This aids the student in public speaking, and in obtaining a wide knowledge of the field of electricity. There have been lectures in which the students have demonstrated their talks with apparatus and this has greatly added to the interest in the meetings.

The benefits derived from being a member of this society are the honor and stimulation resulting from direct relationship with the national organization and association with fellow members of the branch.

Membership in the Ohio Northern Student branch of the American Society of Mechanical Engineers is open to all mechanical engineering students. During the past year meetings were held twice a month. At these meetings lectures were given stressing the practical side of mechanical engineering.

The society especially endeavors to have freshmen attend the meetings in order that they may obtain a clear conception of the field of engineering into which they have enlisted. Under the leadership of Dean Needy and the officers of the organization, the local student branch has been brought into close contact with the national society and has derived many benefits from this contact.

# SOCIETY OF CHEMICAL ENGINEERS

President	CHAS. W. EWING
Vice-President	ROY KNOSTMAN
Secretary-Treasurer	ALFRED SUSIE

The O. N. U. Chemical Engineering Society was organized late in 1920 through the efforts of Dr. L. C. Sleesman, who foresaw the need of such an organization for this growing branch of Engineering.

The object of this society is to obtain a closer relationship among the chemical engineering students, as well as to encourage the science of chemistry.

From its installation up to the present the society has grown by leaps and bounds until it now ranks as one of the best in the Engineering College. This year was a banner year for the society. Besides having its quota of well-attended meetings, it held three smokers in as many quarters. Excellent speeches, good spirit and pleasant times were prevalent at all of these meetings and smokers. The society was also well represented this year on the Engineering Executive Committee, having two members on that group.

Membership in this society is open to all students enrolled in Chemical Engineering.

# Y. M. C. A.

On their arrival men students discovered the "Y. M." was given new and more spacious quarters in Philo Hall on the second floor of Hill Building by the administration. This move was in keeping with the program of a bigger and better Northern and afforded larger quarters for a lounging and recreational room.

This college year was started off with a bang by the Y. M. C. A. Freshman Party and the Big Mixer sponsored conjointly with the Y. W. C. A. These socials or conjoint meetings were continued at least once each quarter in Alumnae Hall during the year. This co-operation between the "Y. M." and the "Y. W." has added much to the social atmosphere of our Alma Mater.

It is the purpose of this organization to carry on a program which will interest all Northern men. The "Y" especially caters to those who have a desire to make their college career one which will lead to the most complete development possible of the mind, spirit and body.

Devotional meetings were held each Wednesday evening at seven o'clock. Speakers of prominence were brought to the campus by the "Y. M." several times this year. The membership was also favored by various faculty and student speakers. Talented campus musicians added much to these weekly meetings.

Under the helpful direction of our adviser, Mrs. Whitted, the year 1930-31 has been a red letter year for the Y. W. C. A. To begin with, an unusual amount of pep and enthusiasm was displayed among the women students at the opening of the fall quarter. This enthusiasm did not die, but lasted throughout the entire year.

One of our chief interests has been the redecorating of the new organization room. The programs offered every Wednesday night have been especially helpful. Not one of them could be termed boresome.

The girls have enjoyed and appreciated working with their faculty committee advisors, a plan which is being used for the first time this year.

But it isn't all work and no play with the Y. W. girls. If you think that, join the Y. W. C. A. next year and get in on all the parties.

Early in the year of 1906 there appeared on the campus of Ohio Northern University an organization known as the Ohio Northern University Pharmaceutical Association, From a meager organization it has since grown until at the present time it is one of the most important organizations on the campus.

The students in pharmacy are always striving to learn more about pharamacy, other than that which is given in their text books, and because of this intense interest shown by the students the O. N. U. P. A. owes its rapid growth. One week of the school year is set aside as Pharmacy Week, and during this time the annual Pharmic Banquet is held. This is attended by state officials, and men who occupy prominent positions in pharmaceutical manufactories address the members of the association.

It was this organization that proposed the idea of visiting industrial concerns in order that the students might gain some idea of the methods used in the manufacture of various pharmaceutical supplies. Its efforts in that direction were a factor in making such visits possible.

# O. N. U. P. A.

Realizing that the success of pharmacy as a profession depends upon the cooperation of the pharmacists themselves, the O. N. U. P. A. aids not only in securing unity among pharmacy students at Ohio Northern, but also aids in obtaining the co-operation of practicing pharmacists who are graduates of this university. By functioning in this manner the association renders a service in the interest of pharmacy.

Among the noted men who spoke before the pharmic group this year are: Mr. R. A. Peterson, of Lima, Ohio, representative of Eli Lilly & Co.; Mr. Bert Mull, advertising manager of Eli Lilly & Co., and Mr. Bye, of the Wm. S. Merill Co., Cincinnati, Ohio. Many of these lectures were illustrated by motion pictures which made them very interesting as well as educational.

Our trip to Eli Lilly & Co., located in Indianapolis, Ind., was perhaps the most delightful and highly educational event of the year. Here we learned much about the manufacture of drugs and biologicals. This drug house was the first to make insulin commercially available in the United States.

## AMERICAN CHEMICAL SOCIETY

(OHIO NORTHERN SECTION)

The American Chemical Society, a national organization, was founded in 1876. National officers are: Moses Gomberg, University of Michigan, President; Charles L. Parsons, Mills Bldg., Washington, D. C., Secretary.

This is the largest society of men and women in the world who are interested in chemistry. Many sections of the parent society have been formed. Ohio has six sections: Akron, Toledo, Cleveland, Columbus, Cincinnati and Ohio Northern. The Ohio Northern Section was organized in 1927 and given a territory of five counties: Hardin, Allen, Handcock, Putnam and Auglaize. Officers of the local section are: C. A. Morey, Findlay College, chairman; H. W. Berky, Bluffton College, vice-chairman; J. R. Harrod, Ohio Northern University, secretary-treasurer; R. H. Raabe, Ohio Northern University, councilor.

## LEGISLATIVE BOARD AND HOUSE COUNCIL

Being intrinsic divisions of the governmental plan underlying the constitution of the Association of Women Students, both the Legislative Board and the House Council play an important part in developing the policies of the organization.

The Legislative Board, composed as it is of the four A. W. S. officers, plus the president of Y.W. C. A., the president of W. A. A., the president of Pan-Hellenic, and a representative from each of the four classes, acts as a correlating body for women's interests on the campus. Its purpose is to strengthen the various women's organizations, to prevent their programs from overlapping, and to determine general policies for the future.

The House Council, meeting under the direction of the vice-president of A. W. S., is composed of the house presidents from all the residences having five or more women students. Representatives from the scattered group, and from the town students, also meet with this division. The Council has for its chief purpose the consideration of house problems as they affect both the group and the individual. It also acts, however, in carrying out the general social and academic policies decided upon in the Legislative Board. During 1930-31 the Council aided in the various money-making projects for Alumnae Hall, and in determining the social activities for the year. In the Spring Quarter it made, under the direction of the Dean of Women, a survey of the regulations governing women students.

The Girls' Glee Club is composed of thirty-five well-blended and well-trained voices under the direction of Professor Mark Evans. The organization ranks high in activities on the campus, state contests and eisteddfodds.

The club meets twice each week to prepare for the many concerts and programs given during the year. The first out-of-town concert this year was given in Lima, sponsored by the Lima Alumni.

The plans for the spring consist of a tour of a section of the state, making stops to give concerts and broadcast a program. All the members having the required scholastic standing are permitted to go on this trip, lasting three or four days.

#### THE MEN'S GLEE CLUB

The Men's Glee Club of Ohio Northern has had another very successful year from the standpoint of developing an organization of unusually good balance between the different parts, of rare tone quality, and capability in giving artistic renditions of both the classic and popular musical compositions. At the State Glee Club Contest held in Columbus, the club's singing of the "Miserere Mei Deus" was considered one of the "high lights" of the evening and the club won the highest rating of the judges on their singing of this piece, which was the choice number.

Although we have not had as many concert engagements this year as formerly, a trip of several days and a few other concerts are being planned for the Spring Quarter. However, the club does not hold out its trips as a drawing card to prospective members, for the members of our club are men who are really interested in learning fundamentals of chorus singing and who receive a genuine pleasure and satisfaction from the practice and singing of such music.

The members of the club all love and respect Prof. Mark Evans and have the highest regard for his unusual ability as director.

# **EDUCATIONAL ASSOCIATION**

President	AUTHA WATKINS
Vice-president	DOROTHY SHUSTER
Secretary	ELIZABETH MATHEWS

The Educational Association holds three meetings each term. All students who expect to be teachers are members of this association.

The chief aim of the organization is to promote interest in the teaching profession and furnish guidance and inspiration to those intending to make teaching their vocation.

It also aims to acquaint the students with the new methods and ideals of education by inviting to our campus outstanding educational leaders of the state.

The Press Club of Ohio Northern is an organization formulated for the promotion of interest in the college publications. It trains students to occupy staff positions.

Membership is open to all students interested in journalistic work, and meetings are held each week to maintain such interest on the part of the students.

The club is one of the most active organizations on the campus and serves as a stepping stone to positions on the staff of college publications. Members of Alpha Phi Gamma, honorary journalistic fraternity, are chosen from this staff.

## NORTHERN PLAYERS

President	CHARLES H. RUNSER
Vice-president	ROWENA SMILA
Secretary	MIRIAM SLANKER
Treasurer	PAUL HELTMAN

Under the able direction of Major Deming, Northern Players witnessed a very successful year in the way of dramatics. The club acquired many new members well qualified to fill the places of the members who are graduating. During the first quarter two plays were presented, "The Whole Truth" and "The Sequel." Parts were ably filled in "The Whole Truth" by D'Isa, Bodkin, Spisak, Haber, Stacy, Smila, Boesch, Runser and Teple. Characters in "The Sequel" were filled by Slanker, D'Isa, Valentine and Beyer.

During the second quarter a play was presented which met with much success. "It Won't Be Long Now" was the title and a very able cast, with the experienced direction of Major Deming, is to receive due credit. Parts were filled by Houck, Arbogast, Harris, Runser, D'Isa, Beyer, Haber, Stacy, Schifino, Smila, Shively, Heltman, Reed, Bodkin and Doughty.

## FRENCH CLUB

President	WAN	ETA HESSER
Secretary	HAROLD	WHITLOCK
Treasurer	JOHN	STANFIELD

The French Club is an organization whose efforts are directed toward the securing of high scholarship in French, and also the opportunity for expression of the language under competent guidance. There are excellent programs given throughout the year which serve as a source of pleasure and inspiration, as well as valuable instruction for the members. The club keeps in touch with L'Alliance Française and has the benefit of its medals for scholarship, literature and fellowships abroad.

Mr. Harold Whitlock is secretary for the club. The advisers are the professors of the departments. Professor Martelle Elliott Davis, head of the department of foreign languages, organized the club.

## INTERNATIONAL CLUB

The Ohio Northern University International Club was founded on February 17, 1924, with the aim of fostering good fellowship and understanding between America and foreign students on the campus.

Members of this organization have developed a fraternal spirit which has spread beyond the confines of the club. Every effort was made this year to maintain programs of both educational and entertaining nature.

The club motto, "Above All Nations is Humanity," was emphasized in the international pageant of music, given as a climax to world fellowship week, during the month of March.

Much of the success achieved by members of the club toward attaining the purpose of the motto has been due to the efforts of Mrs. M. E. Davis, who worked untiringly in the interests of the club.

## OXFORD FELLOWSHIP

From its very beginning, Ohio Northern University has been known as a Christian educational institution. In order to promote Christian fellowship and to provide opportunity for religious expression an organization was formed in 1923 known as the Homiletic Club. Beginning with this nucleus the organization in 1927 became affiliated with the International Oxford Fellowship.

The chapter fills a great need by promoting the challenge of Christian service in giving mutual aid, encouragement and inspiration to Northern students who have either definitely pledged themselves to a life of Christian activity or who desire to enrich their spiritual lives. Membership is open to all students who are willing to dedicate their lives to service and devotion.

# O. N. U. ORCHESTRA

The University Orchestra continued its study of the symphonic literature this past winter under the direction of Mr. Willihnganz. Its chapel programs were high points of the year. It assisted the Choral Society in its Christmas presentation of "The Messiah" and their performance of Mendelssohn's "Elijah" during the Commencement season. The group appeared at the Kenton alumni reunion and at various social affairs in the University.

The orchestra is a comparatively new organization on our campus and we hope it will continue to grow.

## **BAND**

The University Band, under Conductor Willinganz, spent its usual busy and successful season. Daily rehearsals at Presser Hall made possible a fine appearance at concerts, pep meetings, and athletic contests. The band appeared at all the home football games and journeyed to Westerville and Lima with the team. Its presence at Taft Gym gave a great deal of pep to the basketball games. New Bremen welcomed the boys with open arms for its Halloween Carnival, the Clown Band being one of the high spots of the evening.

The term concerts showed a remarkable growth in tone quality, technical efficiency, and interpretation. They featured E. G. Hester, Richard Wittenmeyer, Lawrence Shepard, Russell Long, Frederick Irwin and Billy Arbogast as soloists. At the close of the year gold keys were presented to John Bera, Anton Berardi, William Breese, Roxy Fischietto, Gail Ports and Donald Weir, of the graduating class, in recognition of their faithful service to the organization.

### SPANISH CLUB

President	ROBERT	McALPIN
Vice-president	FRANK	RAMIREZ
Secretary-Treasurer	JINKS	WILLIAMS

The Spanish Club of Ohio Northern is an organization whose aim **is** to promote the study and use of the Spanish language. This year we number among our members not only those students of O.N. U. who are studying the Spanish language, but also several fellow-students who are natives of Spanish-speaking countries or who have learned to speak the language through living in lands where Spanish is spoken.

Rewards and honors are given to the most outstanding students of Spanish each year. Mr. Robert McAlpin is the president of the "Circulo Espanol," and Professor Brokaw is Faculty Sponsor. The club meets the third Monday of each month, and, due to the excellence of the entertainment committee in arranging the various programs, there is always a crowd.

The Business Administration Club was organized during the past Fall Quarter from the former Commercial Club. From this club we have a rich heritage of activity and achievement which has been the privilege of the present organization to worthily uphold.

The club meets regularly every two weeks and has furnished new ideals of service and has encouraged the student to adequately fit himself for business.

# GIRLS' DEBATE TEAM

Ohio Northern co-eds have realized one aim; it is that of inter-collegiate debating. The question debated was, Resolved: That the State of Ohio should adopt a system of State medicine, (free medical aid to the poor.) The affirmative was upheld by Mary Benge, Miriam Slanker and Verna Kemper; the negative by Florine Baransy, Gladys Finfrock and Martha Gessling.

The teams under the leadership of Dr. Clara E. Schieber and Professor Cliffe Deming had a very successful season. During the year the girls debated teams from Albion College and Miami University and Findlay College.

## MEN'S DEBATE TEAM

With only one experienced man among them, the candidates for the varsity debating squad settled down to work early in the Fall Quarter. The conference question: Resolved, That This State Should Adopt a System of Compulsory Unemployment Insurance, was one of absorbing, as well as popular interest, and it required an unfailing knowledge of labor conditions and economics.

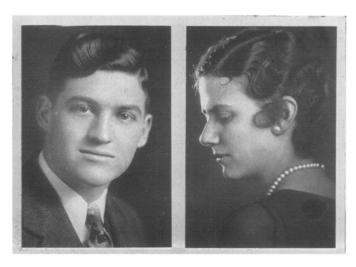

After much research and studying, the varsity teams were finally chosen and quickly whipped into shape for the on-coming conference encounters. The squads won all their pre-season contests, but did not fare so well with the judges in the conference tilts. The two varsity squads that represented the University were made up of the following men:

#### ERNEST R. MILLER, M. A.

Ohio Northern prizes highly the work of the Director of Physical Education, and athletic coach, in his unceasing efforts to reach the highest in athletics and physical education in this university during the past year. Coach Miller is behind our team, striving to place them at the top of the list in every phase of athletics and good sportsmanship.

Coach Miller is a man of wide experience. He received his B. S. in Education and M. A. at the University of Kentucky.

We are sure that with the added strength of this year's freshman teams and last year recruits, Coach Miller will put a team on the field that Northern will be proud to own.

#### MILDRED BKUCKHEIMER

In her second year at Ohio Northern she has so conducted the intra-mural sports for girls that there is something in which every girl may participate. She received her B. S. in Ed. and M. A. Degrees

from Columbia University.

#### CLYDE LAMB

Clyde is coaching the Varsity Track and Cross Country teams and the Freshman Football and Basketball teams.

Clyde received his B. S. in Ed. at Coe College, Iowa, and his M. A. at Columbia University.

#### HARRIS LAMB

In his second year at Ohio Northern Harris Lamb has experienced a great deal of success as Varsity Coach of Basketball and assistant Varsity Football Coach.

Harris received his B. S. in Ed. at Coe College, Iowa, and his M. A. from Columbia University.

#### JOHN GUTKNECHT

"Fritz" was Coach Miller's able assistant in coaching football this year. As we all know "Fritz" was one of Ohio Northern's greatest linesmen and his coaching was a great help to the Bears forward wall.

He will receive his degree in Law this June.

Andorka, Stevenson, Flenniken, Schifino

#### **CHEER LEADER§**

Games are often won from the side lines, but such victories seldom result from disorganized, sporadic cheering. It is the unified "Team Rah! Team Rah! Rah Rah Team!" that gives the needed encouragement and stamina to the players.

#### MANAGERS

The manager's position and work with the different sports is not to be considered an easy job. We owe much to these men for their time and effort in taking care of the team's equipment.

#### FOOTBALL

The 1930 football season found Northern with nine letter men, twenty additional men from Freshman squad and some men from the Varsity of the year before. These few players the Freshman squad and some men from the Varsity of the year before. responded to Coach Miller's first call for daily grid practice. Coach Miller, however, succeeded in establishing his system of playing, and installing into his men the spirit of good sportsmanship so that out of the unfavorable circumstances there evolved a team, which though its conference rating was not very high, established itself in a manner entirely worthy of praise and deserving credit.

Only the hardest kind of football luck was responsible for Northern's returning on the short end of a 12-0 score at Dayton, after outplaying the Flyers over half of the game.

After easily defeating Toledo University on the next Saturday, the Polar Bears put up a

losing fight against Wilmington the following week.

Coach Miller's men came back and handily defeated the Hiram Warriors, and then dropped their homecoming game to Capital by a slight margin.

On the following Saturday they lost to Heidelberg, the State champions, and a week later, after outplaying and outsmarting the Tan and Cardinal warriors of Otterbein, lost to them by

failing to kick the point after the touchdown.

In the last game of the season the Bears showed their real strength in defeating the

Bluffton Beavers by a 12-7 score on a foreign field.

Next season, with Coach Miller and his principles firmly established, and the spirit which so animated the squad last fall again in evidence, we look forward to the 1931 season in a spirit of hopefulness and confidence, determined to stand by the squad, to "Crow gently in Victory" and "Own up, put up, and shut up in defeat."

#### EDWARD CLARK-BACK FIELD CAPTAIN

"Eddie" was the Bear's triple threat man. He could kick, pass and run with the ball. It was a sad day for the Bears when he was injured. We hope "Eddie" can be back next year.

#### JOHN GALLAGHER

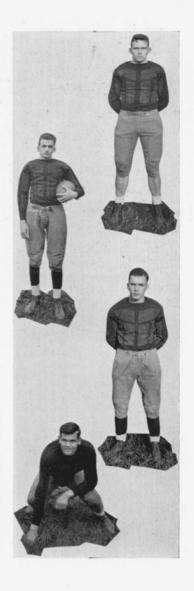

"Deke" completed his second year of varsity football with added recognition of his field general-ship in actual combat. We are expecting great things of "Deke" next year.

#### NILS MELKERSON - CO-CAPTAIN

"Swede" was a real Polar Bear at plunging the line. Few conference lines were able to stop his terrific plunges with any great degree of success. This is "Swede's" last year with the varsity.

#### HAROLD SHELLY

Shelly had the qualifications of a tackle, being both rangy and rugged. When teams tried plays through Shelly's side of the line they found it tough going, and few gains were registered.

#### GEORGE HAAS

Although small and in his first year of varsity competition, George proved to us that the phrase "Small but Mighty" is more truth than poetry.

#### ROY EVANS

Roy, playing his first year for Northern at tackle, was a bulwark on the line at all times. Leg injuries kept him off the gridiron during the latter half of the season.

#### CLIFFORD GLATHART

"Cliff" was another mainstay in the Northern forward wall. He was powerfully built, fast and a good charger, in addition to possessing a smart football head. This is "Cliff's" last year on the varsity.

#### EMMETT BOLCH

The Bear's giant tackle feared not the toughest of opposition. "Boso" was a hard tackler and was one of the big guns in the Polar Bear's line.

# GARCIER CONTROL CONTROL OF THE NORTHERN DESCRIPTION OF THE

#### JOHN ALLEN

John was one of the outstanding players on the team. His ability as a triple threat man was well known. In open field running he was hard to stop, and on defense he was a sure tackler.

#### ROBERT DIAMOND

As a ball carrier "Bob" was right there. His line plunging and running the ball from scrimmage made him a valuable asset to Coach Miller. On defense he was an accurate and hard tackler.

#### LEO LUKE

Luke played his first year of varsity football in creditable fashion. He started the season in the backfield, but was transferred to the line. Luke will be back for another "N" next year.

#### OSCAR JACOBS

"Jake" shared the center position with Captain Von Duyke and was a real substitute center. This fact allowed Northern to always have a fresh and strong man in the center position.

# CONTROL OF GIRE NORTHERN

#### HARVEY GALLANT

Northern had in "Harve" a fast, shifty end, who was in the thick of the fray all the while, and did much throughout the season towards putting the Bears on top.

#### DONALD WEIR

Weir, playing his last year with the varsity, showed plenty of Polar Bear fighting spirit. He was a real scrapper from start to finish. "Dutch" will leave a hole in the line that will be hard to fill.

#### PAUL ELDER

Elder was one of Northern's few versatile substitute ends. Although playing in but a few games, he showed that he has the making of a real Polar Bear. We hope to see Paul back next year with that fighting spirit.

#### JAMES PATTERSON

"Pat" was always in there fighting with the determination to never give up. It was his spirit and determination which won for him the coveted "N" in his first year on the varsity.

EN PROVINCE CI9313 POR DE PROVINCE DE LA PROPERTICION DE LA PROPERTICI

#### HOWARD SANDROCK

Sandrock, at end, acquitted himself nobly. "Sandy," a hard, sure tackler, was always down under punts and it was next to impossible to take him out of a play. His ability to receive passes often helped Northern to gain ground.

#### GEORGE HINDALL

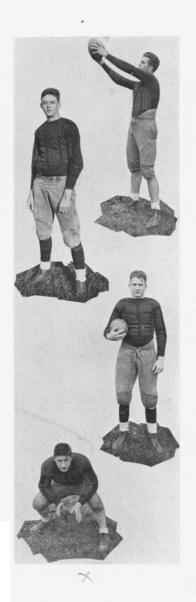

With his six feet of stature and ability to snag passes out of the clouds, we are sure to see great things accomplished by George during the next two seasons.

#### EDWIN ROGERS

Although playing his first year on the varsity, "Eddie" proved himself worthy of being in the fray. He was a very active part of the Bear's defense as well as a receiver of passes.

#### CHARLES PETERSON

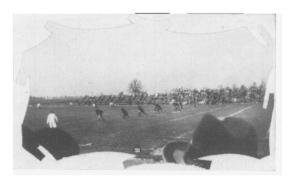

This past season was "Pete's" second year with the varsity and he certainly deserves the good will of the student body. He was a consistant player at guard and was feared by the opposing team at all times.

# GARGORICA CONTROL NORTHERN NOR

#### JOHN STATES

John shared the quarterback position with Gallagher and was equally as 'good. This allowed Northern to always have in the game a fresh, peppy field general.

#### FRANCIS EBNER

This big substitute center was noted for the ability to open up holes for the backfield. Very few plays were driven through him by the opposition.

#### RICHARD VON DUYKE - CAPTAIN

"Duke," who captained the Polar Bears, finished his second season with plenty of well earned honors. From his position of center he inspired his teammates whether in defeat or victory. "Duke" was known by his favorite cry, "Come on youse guys."

#### LOUIS CHAPEK

This big substitute tackle is known for his aggressiveness. Because of his strength and size he is known far and near as the "bear."

# THE NORTHERN NOODSON

#### WILLIAM ARCHIBALD

"Bill" played his second year with the varsity at halfback position. He is a man that well deserves the wearing of the varsity "N". He was a real threat for the opposing team.

#### JOSEPH UHL

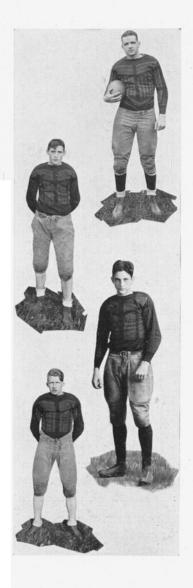

"Joe" was handicapped with injuries that kept him off of the gridiron for most of the season. We hope next year he will have better luck, for we feel sure that he will add punch to the team.

#### HOWARD CRAIG

At end, Craig showed lots of stuff. His ability to receive passes, as well as being able to diagnose the plays of an opposing team, was remarkable. The Bears will miss Craig next season.

#### JOHN STUDER

"Johnny" playing his first year as a substitute guard proved his real value by being an untiring worker in practice and on the gridiron.

### FRESHMAN FOOTBALL

The Freshman squad of 1930 will be the source of plenty of good football material.

The squad of Freshmen, numbering about 35, made up of former high school gridiron stars, averaging around 175 pounds in weight, represented many of the best combinations in this part of the country.

Each evening the squad went through drill and gridiron scrimmage with the varsity, and they deserve much praise for helping to put the Polar Bears in fighting trim.

The complete squad roll as recognized by Clyde Lamb, Freshman coach, is as follows: R. Garmon, T. Porosky, Tedrick, J. Reifensnyder, H. Roemisch, C. Piotter, C. Deems, L. Metzgar, F. Seifred, J. Sandys, C. Allen, H. Jones, G. Leist, C. Hedderly, B. McLean, W. Yount, P. Shipe, F. Considine, M. Welch, G. McClure, Paul Ebner, C. Larson, K. Dunn, R. Woodley, F. McCoy, F. Steiner, E. Cornmesser, D. Crompton, C. Schlott, A. Orban, C. Anspach, Lewis.

Freshmen managers are: W. Moore, H. Forander, G. Headley, F. Deare and R. Van Fleet.

### VARSITY BASKETBALL

Although the basketball team of 1931 did not make a sensational record and win all the games it played, it performed well considering the caliber of the teams it met.

With four letter men as a nucleus for the new cage team and recruits from the preceding Freshman team, Coach Lamb built a smooth-working machine which dealt terror into the hearts of the best basketball quintets of the state.

In the first game of the season the Bears showed real form in handing the Bluffton Beavers a real trimming.

Then after the Holiday season the Bears lost a close game to Bluffton on their own floor. The following week they easily defeated the highly touted Capitol U. team by the score of 24-19.

The following week they lost to Wittenberg and Bowling Green, both by a close score on the opposing teams' floors. Returning home they met Otterbein here, winning their third conference game by an easy margin.

In their barnstorming trip to Kent State, Hiram and Ashland Colleges, the Polar Bears lost only to Ashland. In each of these games Northern's diminutive forward, Roscoe Smith, was the star. He proved of real value to the Northern squad.

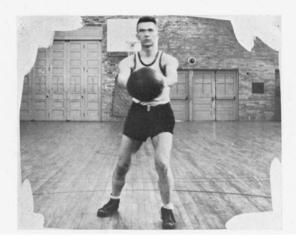

After about ten days of vacation they met the strong Heidelberg team, to whom they lost.

With the score 25-31 in favor of Bowling Green and nine minutes to play the fighting Bears came from behind by the aid of Smitty to win by the score of 39-35. On the following week-end Northern put the skids under Otterbein again to the tune of 35 to 27. The next night they lost to Capitol due to the excellent playing of Meckling.

The last two games were played with Kent and Muskingum, the Bears losing both these games by a close margin.

This ends the story of our successes and failures. It is a story full of bright spots with a dark one intermingled here and there to dim the luster of our athletic star. Whatever we may say, there is no denying that each player did a yeoman's work and fought every minute of play.

Next year's prospects are very bright. Coach Lamb will have plenty of material from which to build a winning squad. Quinn, Diamond, Pees, J. Allen, States and G. Allen will all return. With the addition of several luminaries from the Freshman squad there is no doubt that Northern will have a winning team.

#### ROBERT DIAMOND - GUARD

Bob was the Bear's best floor man and his ability to pass the ball to a team mate made possible many field goals in various contests.

#### JOHN ALLEN - GUARD

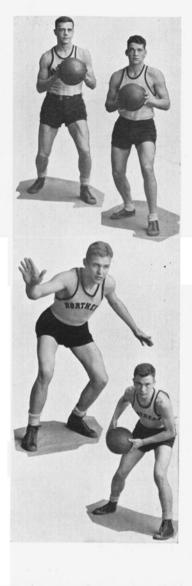

In Johnny, Coach Lamb had a rangy guard who took capable care of his men. He proved himself an able running mate for Diamond.

#### JOHN STATES-GUARD

Johnny States, Sophomore guard, with two more years of competition awaiting him, looks promising as a regular next year.

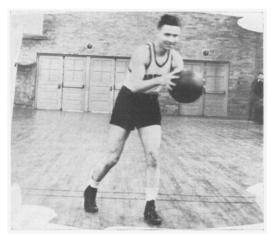

#### KENNETH JACOBS - FORWARD

Captain Jacobs proved himself a worthy leader. However, due to a bad sprain incurred early in the season, he was greatly handicapped.

#### MERWYN PEES - FORWARD

"Merf," although not a regular, was considered as one of Coach Lamb's best substitutes. He was always ready to give his best to the game..

#### GEORGE ALLEN - FORWARD

George played a forward position, and although it was his first year with the varsity he saw considerable action. He will be a strong contender for a regular berth next year.

#### JOHN GUTKNECHT - GUARD

"Fritz," playing his last year of varsity basketball, proved himself worthy of wearing the orange and black. He was a consistent fighter.

#### ALFRED HAWK - MANAGER

Much of the success of the team this year is due to their student manager "Al". He was always ready to do his share of the dirty work.

#### VICTOR SPIZAK - FORWARD

This small but fast forward was a valuable substitute for the Bears, and was always ready to fight when called upon.

#### ROBERT FRANCIS—CENTER

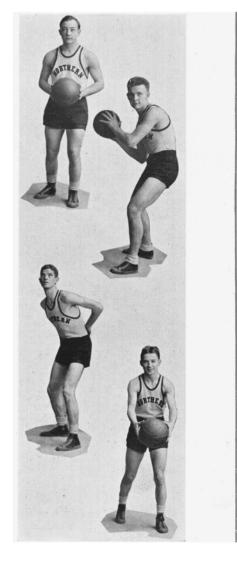

"Bob" proved to be a very efficient understudy to Tom Quinn. He utilized his reach to great advantage, and always played consistent ball.

#### THOMAS QUINN - CENTER

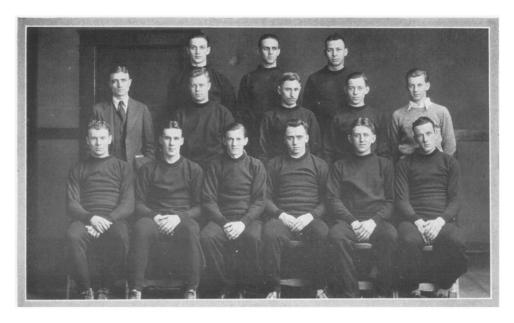

"Tom," our rangy center, handled the pivot position in fine shape. He was great on offense and a stone wall on defense. His brilliant floor work accounted for many points.

#### ROSCOE SMITH - FORWARD

What "Smitty" lacked in stature he made up in fight. He was a quick, dodging player, and a sure point maker of no mean basketball ability.

Crompton, Woodly, Hederly.
Coach Lamb, Deems, Reifensnyder, Rule, Flenniken
Cornmesser, Larson, Porosky, Romisch, Piotter, Cox.

# FRESHMAN BASKETBALL

This year's Freshman team should be the source of plenty of good basketball material for next year's varsity. At the first call eighty men reported to Coach Clyde Lamb, each of them seeking to earn a place on the Freshman team and to earn for himself the much coveted numerals.

Each evening the squad went through a grinding work-out against the varsity. These men deserve much credit for putting the varsity in fighting trim. The men received a good drilling in the fundamentals of basketball. They were also drilled on team work, which is required to make a winning five on the hard wood court.

# 1930 TRACK

The track team made a very commendable record the past year under the able leadership of Coach Clyde Lamb.

Last year Northern dropped but one meet out of five. They won from Otterbein, Heidelberg and Bowling Green, also winning the Quadrangular meet between Bowling Green, Heidelberg, Bluffton and Northern, and lost but one meet to Oberlin, who were considered the best in the state.

With Siverling, the star dash man and record holder back at Northern, we are expecting great things of our track team this year.

# CROSS COUNTRY

Although considered a minor sport on our campus, we owe our deepest gratitude to the boys who showed real spirit in making this sport a thriving success. We hope in years to come the student body will back the sport whole-heartedly.

Having but two of last year's veterans, Stewart and Morrow, Coach Lamb had a problem in selecting his men.

Northern had but three meets scheduled and won all of them by substantial margins. They met Toledo U., Michigan State and Wooster.

In the annual Big Six meet the Northern men took fifth place against a strong field of experienced runners.

#### **FENCING**

Northern's fencing squad increased this year from six to sixteen men. The team, under the leadership of Captain Bob Carrier, started working on the principle that "a team that won't be beaten, can't be beaten." This is the spirit which has put the team into undisputed leadership of the conference.

The foils team was composed of Bob Carrier, a three-year veteran, Dan Haber, a two-year veteran, and John Studer.

Bob Chandler and Louis Roraback, members of last year's squad, took capable care of the epees or dueling swords.

For the first time Northern placed a saber team in action. Major Deming's years of experience and coaching ability were manifest by the showing made by Dowling and Carrier, with the gruesome weapons.

Much credit should go to Coach Deming and Assistant Coach Aldrich for their untiring efforts to build up a strong squad.

The swordsmen provided sleeping powder for the following teams:

# INTRAMURAL SPORTS

During the past school year the University promoted the greatest program of intramural athletics ever attempted in an effort to have one hundred per cent participation on the part of the men students. Prior to this, basketball and playground ball had been the only sport offered to those who were not of varsity caliber.

In working out this extensive program our chief aims were the promotion of health through some beneficial physical activity, and the bringing together in close social relationship the different organizations of men students on the campus.

Coach Lamb chose Carl Boyle as intramural manager and Meryle Conde as his assistant.

The intramural department will continue the policy of giving awards. We hope that the men will compete for the love of the sport as well as to win the cups. Of course you should try to win but don't make winning the cup everything. There will be a plaque for the winners in each sport as well as an "All Sports Trophy" for the team collecting the greatest number of points.

#### HANDBALL

Although a new sport for the fraternities handball has created quite a bit of excitement This sport was easily taken by the Theta Kappa Phi, who proved too good for every one they met.

#### HORSESHOE

The intramural season opened this fall with the famous old game of horseshoe. This started the ball rolling, and every fraternity on the campus participated. The Theta Nu Epsilon nosed out the Theta Kappa Phi to win by a small margin.

Dowling, Brace, Phelps, Piekielniak, Wakefield.

# INTRAMURAL CROSS COUNTRY

This sport, being of a strenuous nature and coming late in the season, did not attract a large number of contestants. The outstanding team to enter competition was the New York Club, as was proven by the little trouble they had in placing first. A well balanced team, rigid training and the will to win brought this well deserved win to the New Yorkers who, every year, are becoming more feared in all branches of intramural sports.

Conde, Dietrich, Piekielniak. Wakefield, Dowling, Ewing, Phelps, Brace.

### INTRAMURAL BASKETBALL

The schedule opened early in the season with every fraternity on the campus entering a team. The first half of the schedule found every team fighting for first place. The second half found the New York Club, Alpha Epsilon Pi, Sigma Phi Epsilon and Theta Kappa Phi aggregations out in front and battling for the lead. At the close of the schedule three teams were tied for the cup. The play off resulted in a win for the New York Club over Alpha Epsilon Pi and Theta Kappa Phi. The entire season was marked by keen competition and startling upsets. The winners are to be congratulated for their ability and outstanding clean style of playing.

# INDOOR BASEBALL

Since this book went to press before the spring intramurals were run off, we will give the results of last seasons contests.

In track the Theta Nu Epsilon boys came through with flying colors. They scored well in both track and field events.

The indoor ball series was one filled with close scores and upsets. The Theta Kappa Phi boys, aided by the superior pitching of Joe Carmisino, came through the season without a defeat. This won for them the All-Sports trophy of the year.

Although a comparatively new organization on the campus, the W. A. A. is very active. A Halloween party, square dances, a play day for high school girls, a play day for college girls and a review are among the things the association sponsors annually, in addition to the regular club work.

SWIMMING

SWIMMING

The much-to-be deplored fact that Ohio Northern has no swimming pool did not make the members of the W. A. A., who were interested in swimming, give up hope. They decided that there was nothing to do but to go where there was a swimming pool, so every Wednesday evening Ohio Northern's bus carried a load of girls over to the Y. M. C. A. pool at Lima.

### WHITE SWEATERS

Soon after the organization of the Women's Athletic Association on the campus a system

of awards according to the number of points received was worked out.

As a reward for 300 points a girl receives a white sweater with a blue "W" on it. This sweater represents a lot of hard work on the part of the girls because these points are really earned, not merely given out.

### TENNIS CLUB

The Tennis Club of the W. A. A. was organized in the fall of 1929, as a part of the new program in the department of Women's athletics. A large number of girls showed interest and various groups were formed which practiced regularly every week.

### TAP DANCING

This club, originally organized in 1929 for women, is now a co-educational organization. Some very good tap dancers resulted from Miss Bruckheimer's able instructions, who entertained at W. A. A. parties, and put on a large part of the W. A. A. Revue.

### OPEN ROAD

This spring there will be overnight hikes which everyone enjoys, especially when you wake up and find yourself covered with frost. But the thoughts of frost, etc., soon vanish when you get a whiff of the bacon and eggs and coffee. Um!-M!-M! Who isn't hungry already?

### VOLLEYBALL

It was in the spring of 1930 that the Northern co-eds became interested in volleyball. Although the sport was not new, competition in it for girls was new and very attractive.

This year's tournament was held in the Fall Quarter and was ably managed by Mary Jane Miller. The competition was keen among both the organized and independent groups.

There was one team, however, that played consistently good volleyball throughout the year. They won their games easily and played a beautiful sort of game. This team, the "Hi-Hats," won every game and is to be highly congratulated and honored.

The All-tournament team is shown below.

### BASKETBALL

Last year Ohio Northern boasted of a girl's varsity basketball team. This year, following the example of most schools, it was decided not to have a girl's varsity. Since basketball for competition is much more interesting to girls than basketball just for basketball's sake, it was decided to have an intramural tournament.

Seven teams were organized, four sorority teams and three independent ones. Competition was keen and the last night of the tournament came with two teams undefeated—the "Hi-Hats" and the "Thetas." The result was that the "Hi-Hats" won.

The basketball tournament was ably managed by Irene Pugsley, and she deserves a great deal of credit for its success.

# CALENDAR 1930-31

Early, Classes"

### SEPTEMBER

- 17th. Some of the Freshmen arrived in town and were very much alarmed thinking they were put off in the suburbs.
- 18th. Registration Day for Freshmen. Their first meeting with the Professors. Girls have open-house in Alumnae Hall.
- 19th. The Freshmen are given a taste of long hours spent on tests and being examined.
- Upper classmen rule over Freshies as they struggle with the tests. A show given to relieve strain on their minds.
- 21st. Matriculation service; most of us go. The rest of the day is spent in wandering about the town.
- 22nd. The real thing today, for classes start and we try to appear eager.
- 23rd. The first chapel meeting was well attended.
- 24th. The first meeting of Y. M. C. A. and Y. W. C. A., where we meet again some of the old friends.
- 26th. Game at Dayton. The first experience under lights at night. Score, 12-0. Dayton wins.
- 30th. The first meeting of A. W. S. was held in Presser Hall.

### OCTOBER

- 3rd. Chapel program by B. A. Gramm, a trustee.
- 4th. A game with Toledo U. and we won, 6-0.
- 6th. Blue Monday for some; for others just plain Monday, with no lessons prepared.
- 7th. The Faculty Club entertain the Freshmen girls with a lovely dinner.
- 8th. The four classes meet to organize. The politics on the campus is slow but sure.

When the Ault-Lingrel affair came off in Kenton last January, some of those students thought it was the chance of a lifetime to strut their stuff in court. This is the way some of those young law students thought they would look on the witness stand—but didn't. Two or three bottles of smelling salts and a hypodermic or two were necessary before any testimony whatever could be gotten from some of them.

Those attorneys sure can get personal at times. Such questions as "Who does your laundry?" and "Who buys your clothes?" made a fellow wonder what was wrong with his clothes.

### ADVICE TO FRESHMAN CO-EDS:

Try the Tau Kappa Kapp's if you're modest and wise, Crash the Xi Beta Chi's if you're sober; If you're out for the fun, then take the Phi Chi's; For the Theta's are dull as October. But if the sororities don't suit your taste, You're the luckiest girl in the lot; We know that you'll fall for old Turner Hall, For there's where the knowledge is got.

You can always tell a Kappa Psi—but you can't tell him much.

The days of Sir Walter Raleigh may have been good old days, but these subterranean sidewalks bring out the best that is in any generation. The modern co-ed "gets across," and how!

There are two organizations on the campus that belong to the "necessary evil" class, namely, the Sidekes and the Delta Thets. Were it not for these horrible examples of human degradation, all the scorn and criticism of a college campus would be directed at the Kappa Psi's. The only ambition of these members of the "Brotherhood of the Perverters of Truth" is that some day they may be able to reap a fortune from the evils of society.

### A MODERN BALLAD.

Not a long time to come, I remember quite well, Alone in a poorhouse an orphan did dwell; She lived with her parents, her life was serene, Her age it was red, and her hair was nineteen.

Not far from this maiden her lover did dwell, A cross-legged ruffian and bow-eyed as well; He said, "Let us flee by the light of yon star; For you are the eye of my apple, you are."

Now when he was spurned by the beautiful maid, He drew forth the long, ugly knife of his blade; But in stepped her papa and told him to bolt, And drew a horse pistol he'd raised from a colt.

"Don't shoot," said the maiden, "Don't bring me disgrace!" And she cried as she buried her hands in her face; But the ruffian had paid for his life with the deed;—

This is the time of year when the boys over at the Delta Sig House are "cutting" mustaches. It is a rather painful and tedious experience, not only for the patient himself, but for every one with whom he comes in contact, since the real HEmen are mighty scarce over there. Those Delta Sigs are a quiet bunch; they just play croquet all summer, and crochet all winter. It is rumored that they are going to build a new home in the suburbs where they will be free from the traffic disturbances that keep them awake after 10 o'clock in the morning.

Sig:—I hear that the Phi Mu Delta boys are bridge addicts.

Eppie:—Say, are they? Several of the boys lost their tables, and they're sick in bed.

Student (taking exam.):—I don't believe we ever had that question, did we? Prof. Haley:—Yes we did; on page 249 in the text. Student:—I'm sorry, but I don't have my text with me today.
